1. Fall Session Registration Has Begun An Invitation for a Pre-Registration Visit

Looking for the perfect school for your 2 ½ to 6 year old child? The Barbereux School at 3333 Culver Street in Evanston invites you to call us for a visit as we open our fall registration.

Join us as we introduce you to the Barbereux family, explore our Preschool, Junior Kindergarten and Kindergarten/Grade 1 curriculums and discuss our unique approach to child development. Whether you're looking for morning Preschool a few times a week, or full-time Kindergarten, come learn why our school just might be the perfect choice for you and your child.

Here's what parents are saying about the Barbereux School:

"As a working parent, Barbereux offers me the best of both worlds—a great preschool education AND care before and after school. Knowing my children are being intellectually challenged, but having the ease of full-day care relieves an incredible amount of stress."

"While the arts are being cut in schools across the country, Barbereux puts creativity at the center of its curriculum. My son is developing foundational skills for reading and writing, but through fun activities like drawing and piano concerts."

"Barbereux's classrooms are at the forefront of technology. With the introduction of iPads this past year, I've enjoyed seeing the world open up for my daughter. Learning about animals as they watch live webcam feeds from Africa, dancing alongside the Joffrey ballet, skyping with children at a school in India, or practicing simple math, the school is applying technology in an age-appropriate way."

"I went to Barbereux and now send my two sons here. Why? Because coming here made me love school and I want my kids to feel the same way."

If you are looking for a school for your child, we hope you will call us at 847-864-3215 to schedule a convenient time for a visit to the school.

2. Summer School is Almost Here Registration Has Begun

As we invite you to visit us in preparation for our Fall Registration, we also want to let you know that our Summer School Registration has begun.

Whether you are the parent of a continuing student or are considering enrolling your student in our Summer School as your first Barbereux experience, we invite your call for Summer School Registration.
